

## Frequently Asked Question's

Subject: NC License Plate Agency's (LPA's) Issuance of 30-day temporary tag markers.

1. What form is needed to purchase temporary markers? **The MVR-430 (30-day temporary tag order form).**
2. Can a dealer purchase less than 25 temporary markers? **No, temporary markers are issued in packs of 25.**
3. What forms will print when issuing temporary markers? **The system will generate a dealer coversheet along with a registration card.**
4. What is the cost of temporary makers? **The markers are \$25.00 a pack.**
5. If a dealer has multiple dealerships can you loop the transactions when issuing temporary markers? **Yes, the system will allow you to loop transactions.**
6. What is the plate category when entering inventory? **Product type – PLT; Plate category - A30**
7. The first time we sell dealer plates do we collect their previous empty receipt book? **The ledger sheets must be sent to HQ for recording. The dealer retains the book.**
8. If we sell markers and the dealer needs more within the week do we collect the used receipt books? **Currently there is not way for branch offices to verify last set sold as they do not have that access. They can collect the ledger sheets, but they would need to be sent to HQ for recording.**
9. What do we do with these books if we accept them from the dealer? **The dealer must retain the book. The ledger sheets must be sent to HQ.**
10. If a dealer has more than 1 dealer number (franchises) can they receive more than 2 packs a week? **Franchises may have 5 sets per week per dealership.**
